FEATURES

- The hard-working, powerful two-stroke engine has all the power needed for tough farm work.
- No ground is too rugged for the heavy duty suspension system.
- The chain is completely enclosed to protect it from mud, rain, dust and water.
- The sturdy carriers in the front and rear make it easy to carry big loads a long way.
- Special tires provide a firmer grip over any terrain and in any weather.
- The smooth-shifting 5-speed transmission has been carefully geared for the needs of farm and field.
- FRP fenders are flexible, tough, easy to clean and totally rust-free.
- Large, mudproof foot pegs never foul up and fold away easily.
- Big guards around the brake and clutch levers protect the riders hands and the levers in case of a spill.
- Stable double kickstand lets you park in the mud and on uneven ground.
