FEATURES

- 79cc 2-stroke single engine with reed valve delivers plenty of high, dependable power and strong torque especially in the low speed range.
- 3-speed automatic transmission needs no clutch operations.
- Monocross rear suspension features a gasoil damper and helps the engine power transmitted to the rear wheel smoothly.
- Telescopic front forks smoothen the bumps very effectively.
- Racer-type seat is designed with greater freedom of movement in mind.
- Exhaust pipe like the engine is equipped with a heat shield for added safety.
- Highly visible number plate is integrated into the front fender.
- Full knobby tyres give greater traction and stability.
