

YAMAHA 250 SINGLE ENDURO

MODEL DT-1

YAMAHA 250 SINGLE ENDURO

This is a premier machine, destined for greatness... with more features experts desire than any rough-country motorcycle ever made.

Obviously, the new single cylinder Enduro is the ideal answer for the "single-minded" man who wants an all-purpose bike that's a bold step up from the other cycles in its class. A bike that can really take it. Standard features include Yamaha's exclusive 5-port engine design, automatic oil injection system, Yamaha's own Enduro-Travel Forks, separate odometer, detachable lights and spring-loaded foot pegs.
