

Why does the Yamaha MX Racing Team ask for Pennzoil?

PIERRE KARSMAKERS

TIM HART

Yamaha MX Racing Team riders, Pierre Karsmakers and Tim Hart ask for Pennzoil 2-Stroke Motorcycle Oil because it burns clean and stands up under grueling torture of competition riding. They specify Pennzoil because it protects against ring-stick, seizure and assures instant throttle response at any RPM. Without a tough oil, engine friction and heat would soon put you out of competition. Pennzoil 2-Stroke Motorcycle Oil, made from 100% pure Pennsylvania grade crude, is free-flowing for injector or pre-mix use, has superior lubricity and extreme oiliness for extra clinging power on hot surfaces.
