DT175

FEATURES

- 171cc, 2-stroke reed-valve engine with YEIS puts out torquey, economical power.
- Leading-axle front forks provide a full 200mm of smooth wheel travel.
- YZ-based Monocross rear suspension uses a box-section swingarm and a De Carbon type shock absorber.
- Electronic CD ignition produces a hot spark and needs virtually no servicing.
- 21" front and 18" rear tyres feature a tread pattern specially developed for traction on the trail.
- High-tensile steel single-loop frame offers light weight and high strength.
- YZ-type seat and fuel tank allow for smoother rider movement and better control.
- Front and rear drum brakes are powerful and dependable.
